

INTERCONTINENTAL®
SORRENTO MORNINGTON PENINSULA

A New Era of Seaside Glamour Awaits

Make Sorrento your port of call and experience a stay in world class luxury at InterContinental Sorrento Mornington Peninsula.

With the beauty of its restored heritage limestone structure, exquisite cuisine and idyllic pool and spa, InterContinental Sorrento Mornington Peninsula offers a taste of old world glamour with a fresh approach for the discerning, modern traveller.

Originally created by actor and businessman George Coppin in 1875, the 'Continental Hotel' has long been a favourite retreat for Melbourne's elite who revelled at the hotel's Magnificent Ballroom that played host to orchestras and theatre acts. Fast forward to 2022, and an intricate restoration has brought a second life to this iconic locale and reveals a new era of seaside splendour.

A confident expression of timeless luxury, InterContinental Sorrento Mornington Peninsula combines the original hotel and unique layers of local history with two newly-built accommodation wings together with an engaging dining and wellness offering. Soulful connections, moments of frivolity and meaningful memories flourish at this treasured locale once more...

THE CURTAIN IS RAISED

It's time to discover the reinvented icon nestled upon Sorrento's hilltop. A destination within itself, InterContinental Sorrento Mornington Peninsula's 108-room hotel resides amongst a wider precinct, boasting four restaurants and bars as well as a spa and bathhouse. A chic coastal playground created as a remedy for modern lifestyles - an invitation is extended to indulge in the glamour of the InterContinental Life.

A SEASIDE PLAYGROUND

A 90-minute drive from Melbourne, Sorrento is a coastal town located on the southern tip of Victoria's Mornington Peninsula and accessible via the M1 and major freeways. A historic village rich with limestone facades, Sorrento sits between a pristine bay and a rugged ocean beach and is bustling with boutiques, art galleries and restaurants making it a much loved seaside escape for generations.

Mornington Peninsula has a diverse regional landscape with cool-climate vineyards atop rolling hills, acclaimed restaurants, scenic foreshores and ocean activities as well as fifteen golf courses and an array of art galleries. Agriculture and local produce sit at the heart of the region, with diverse farm-gate experiences as well as truffle hunting in the winter months.
